*Time it was,
And what a time it was,*

It was . . .

A time of innocence,

A time of confidences.

*Long ago
It must be*

I have a photograph.

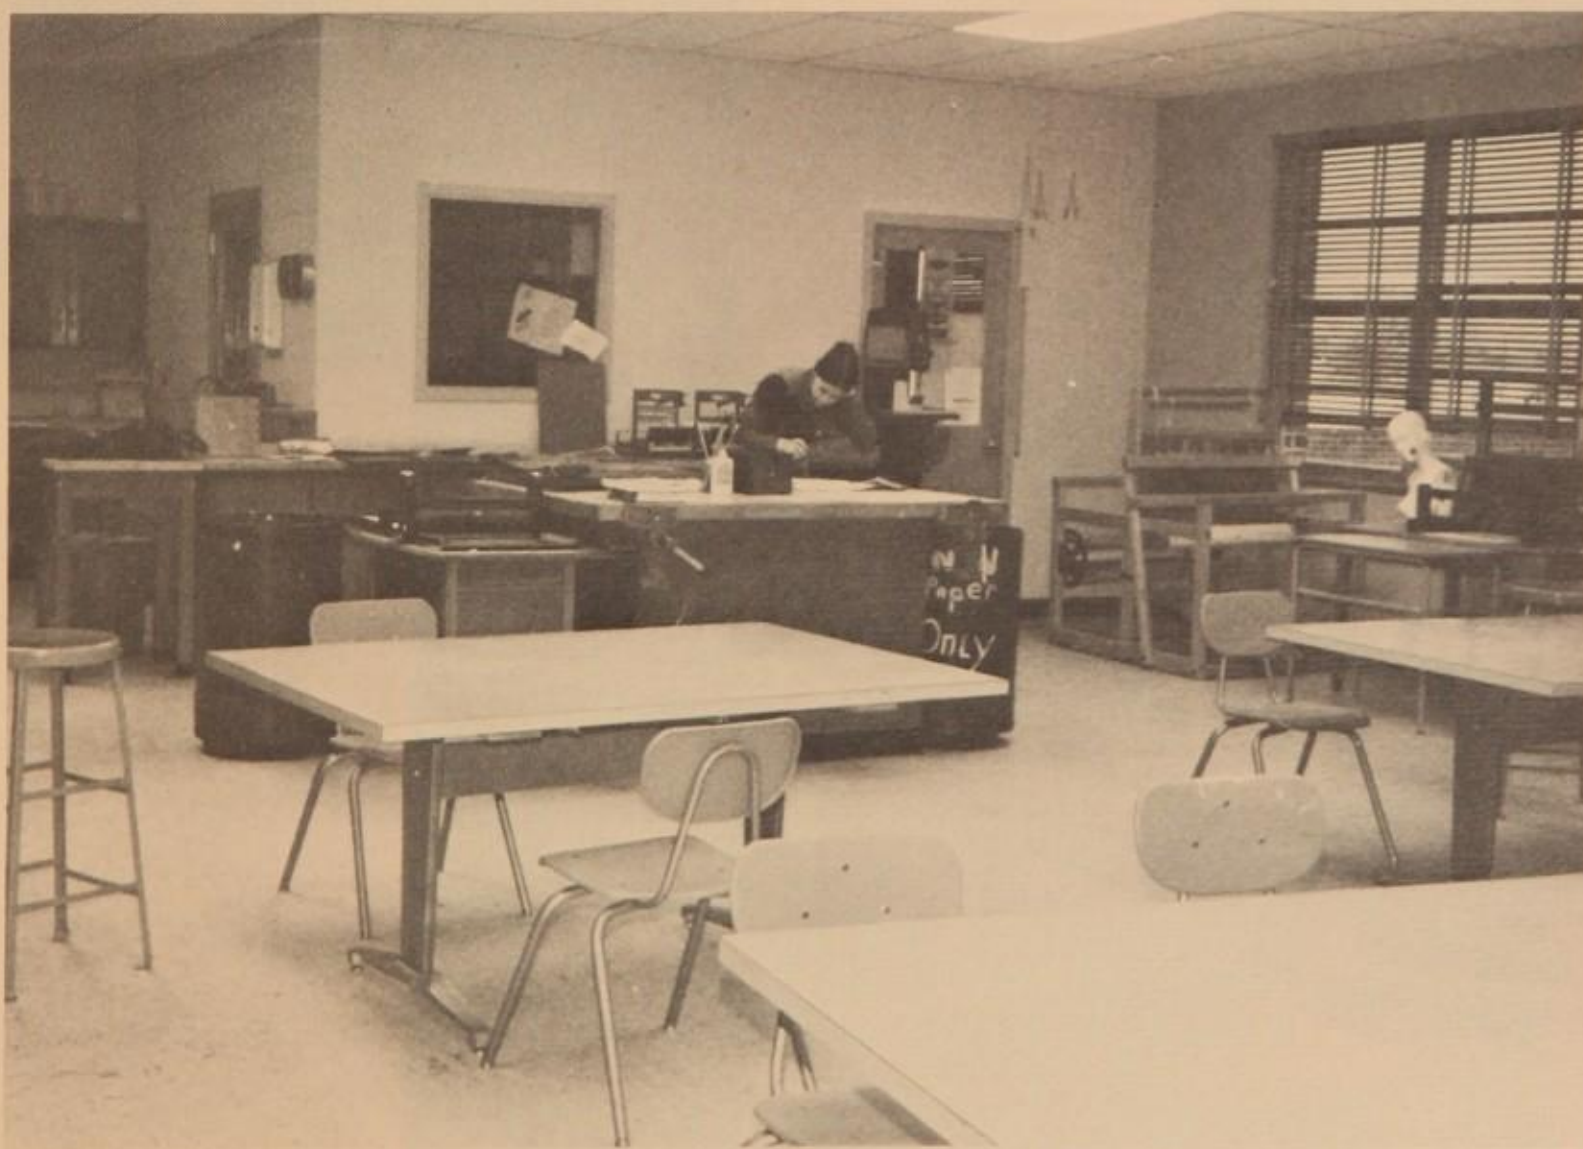

Dear Lisa,
 There are
 so many things
 to say that really can't
 be expressed on a piece of
 paper. Always remember the
 great times & all the long talks
 we had in our many years of gym
 together. (especially in 10th grade gym)
 never forget me. Take care of yourself and keep on
 smiling

Love ya

*Our chief want in life
is to find someone
Who will help us to
Find ourselves.
Emerson*

*If we only have love
Then tomorrow will dawn
And the days of our years
Will rise on that morn.*

*If we only have love
To embrace without fears
We will kiss with our eyes
We will kiss without tears.*

*If we only have love
With our arms open wide
Then the young and the old
Will stand at our side.*

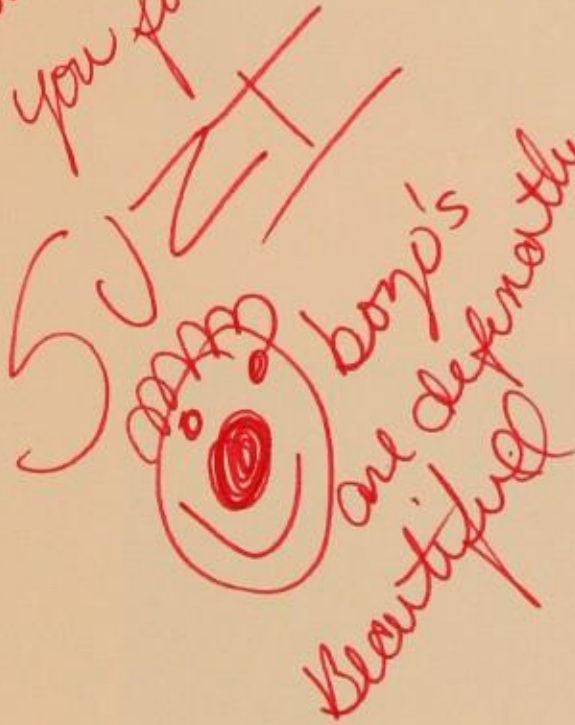

*If we only have love
Love that's falling like rain
Then the parched desert earth
Will grow green again.*

*If we only have love
For the hymn that we shout
For the song that we sing
Then we'll have a way out.*

*If we only have love
We can reach those in pain
We can heal all our wounds
We can use our own names.*

LISA,
If we only have love
we have foreland I'll never
ever forget you. How can I
in a you book its just me
I can say is I love you
change. I know
Remember me but
I don't know what

write it
at me all
and never
don't have to say
Remember me
Someday when I learn
how to drive I'll take
you for a ride

If we only have love
We can melt all the guns
And then give the new world
To our daughters and sons.

If we only have love
Then Jerusalem stands
And then death has no shadow
There are no foreign lands.

If we only have love
We will never bow down
We'll be tall as the pines
Neither heroes nor clowns.

If we only have love
Then we'll only be men
And we'll drink from the Grail
To be born once again.

Then with nothing at all
But the little we are
We'll have conquered all time
All space, the sun and sky.

We'll soon remember ...
 When all things were tall
 And our friends were small
 And the world was new.
 Cat Stevens

Dear Lisa
 especially during this last year
 to have you in a fine young lady
 and I wish you the best of everything
 and happiness always
 Love
 P.D.

LISA-
 STILL ROUND THE CORNER THERE MAY WAIT
 A NEW ROAD OR A SECRET GATE;
 AND THOUGH I ~~OST~~ HAVE PASSED THEM BY,
 A DAY WILL COME AT LAST WHEN I
 SHALL TAKE THE HIDDEN PATHS THAT RUN
 WEST OF THE MOON, EAST OF THE SUN.

LOVE ALWAYS ∞
 FRANK

Dear LISA, IN PEACE
 LIVING ~~LIFE~~ AND ENJOYING HAPPINESS
 AS I ~~HAVE~~ WITH YOU HAS TOTALLY SPOILED ME.
 I CAN NEVER SETTLE FOR LESS! OUR LOVE WILL
 REMAIN STRONG WHEREVER WE ARE AND
 OUR HAPPINESS WILL BE A GOAL TO
 SURPASS (if possible!)

When you're weary,
 Feeling small,
 When tears are in your eyes,
 I'll dry them all
 I'm on your side —
 Paul Simon

 Frank

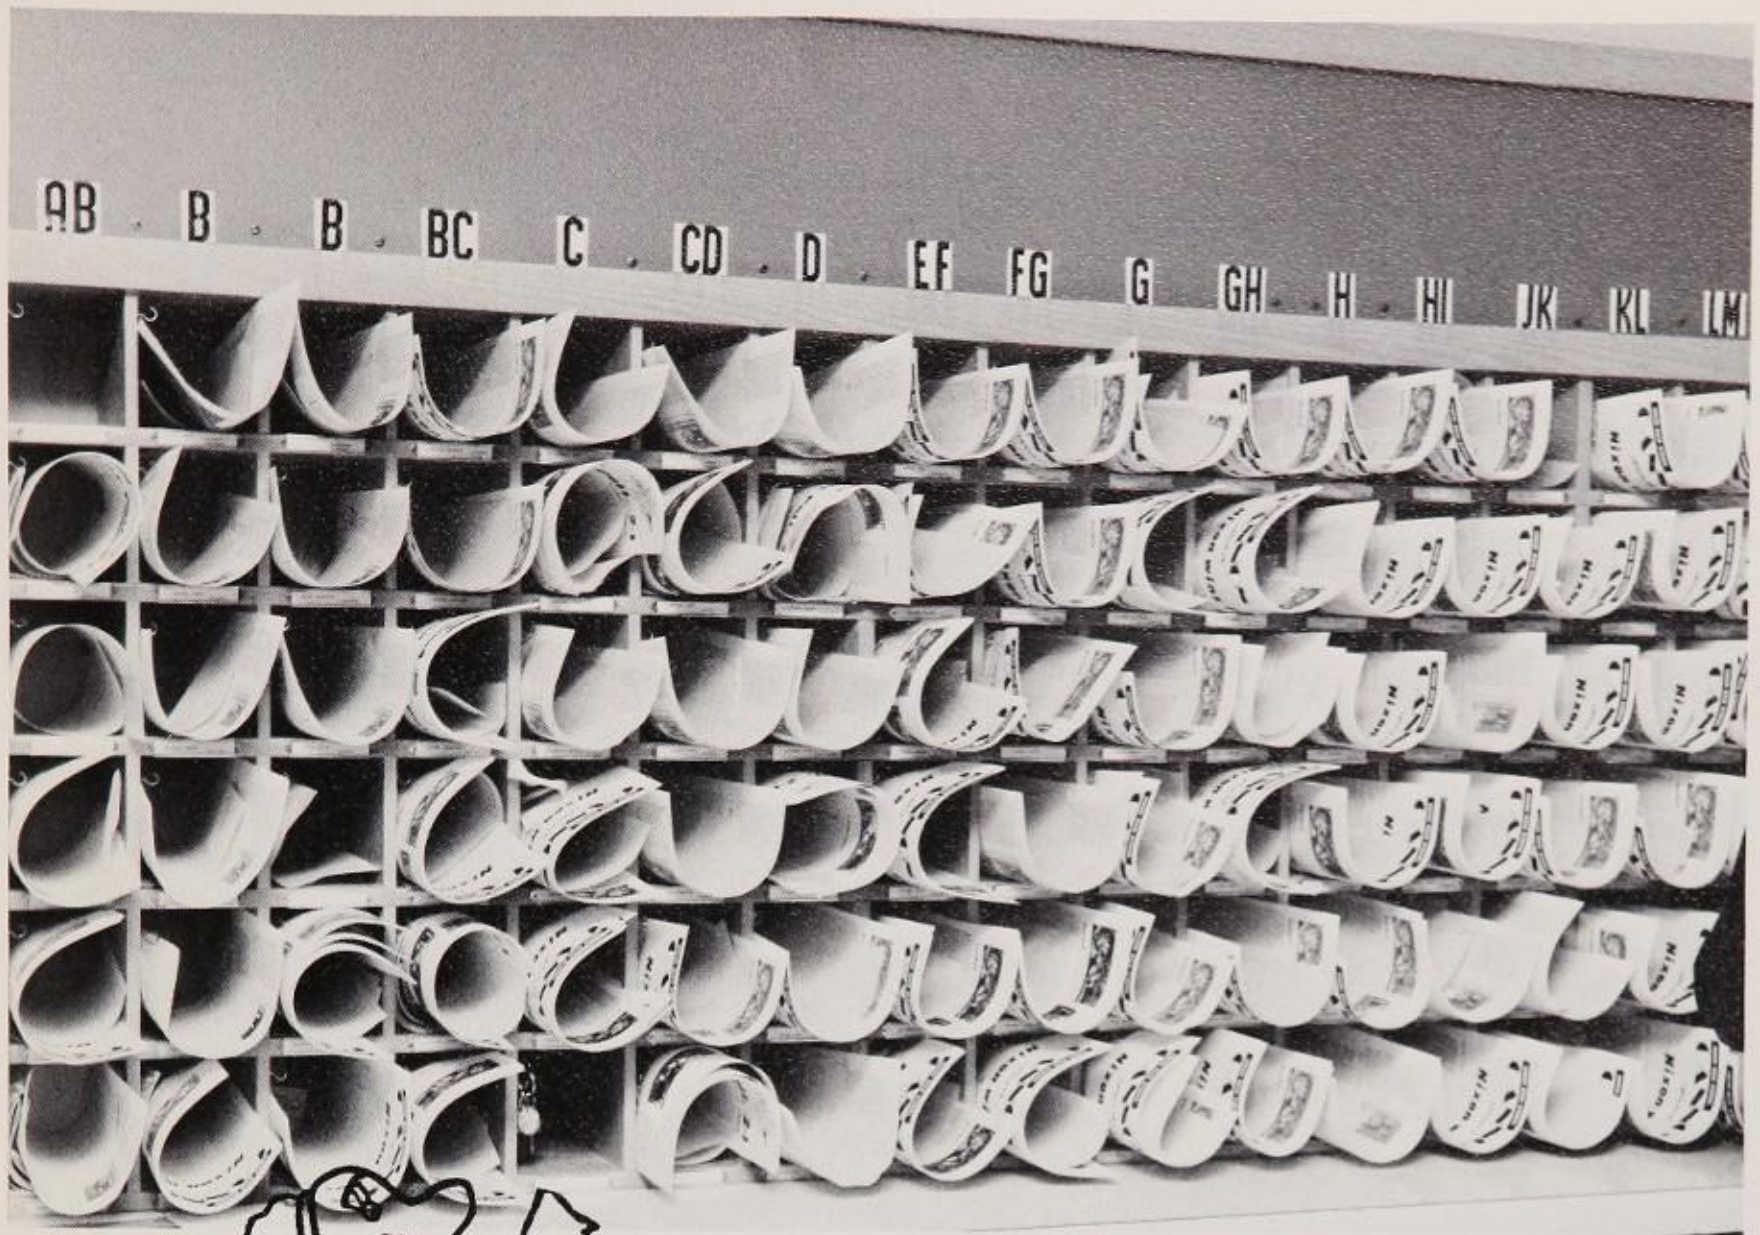

*What about you?
 What about me?
 Two years from now, where will we be?
 Each of us gone our separate ways
 Lost, in the headlong passage of days.
 Maybe we might give love a try.
 Extending the minutes before goodbye
 And for a gentle moment in time ...
 We'll take ... what pleasure people can find.
 Are you afraid?
 I'm not afraid.*

Rod McKuen

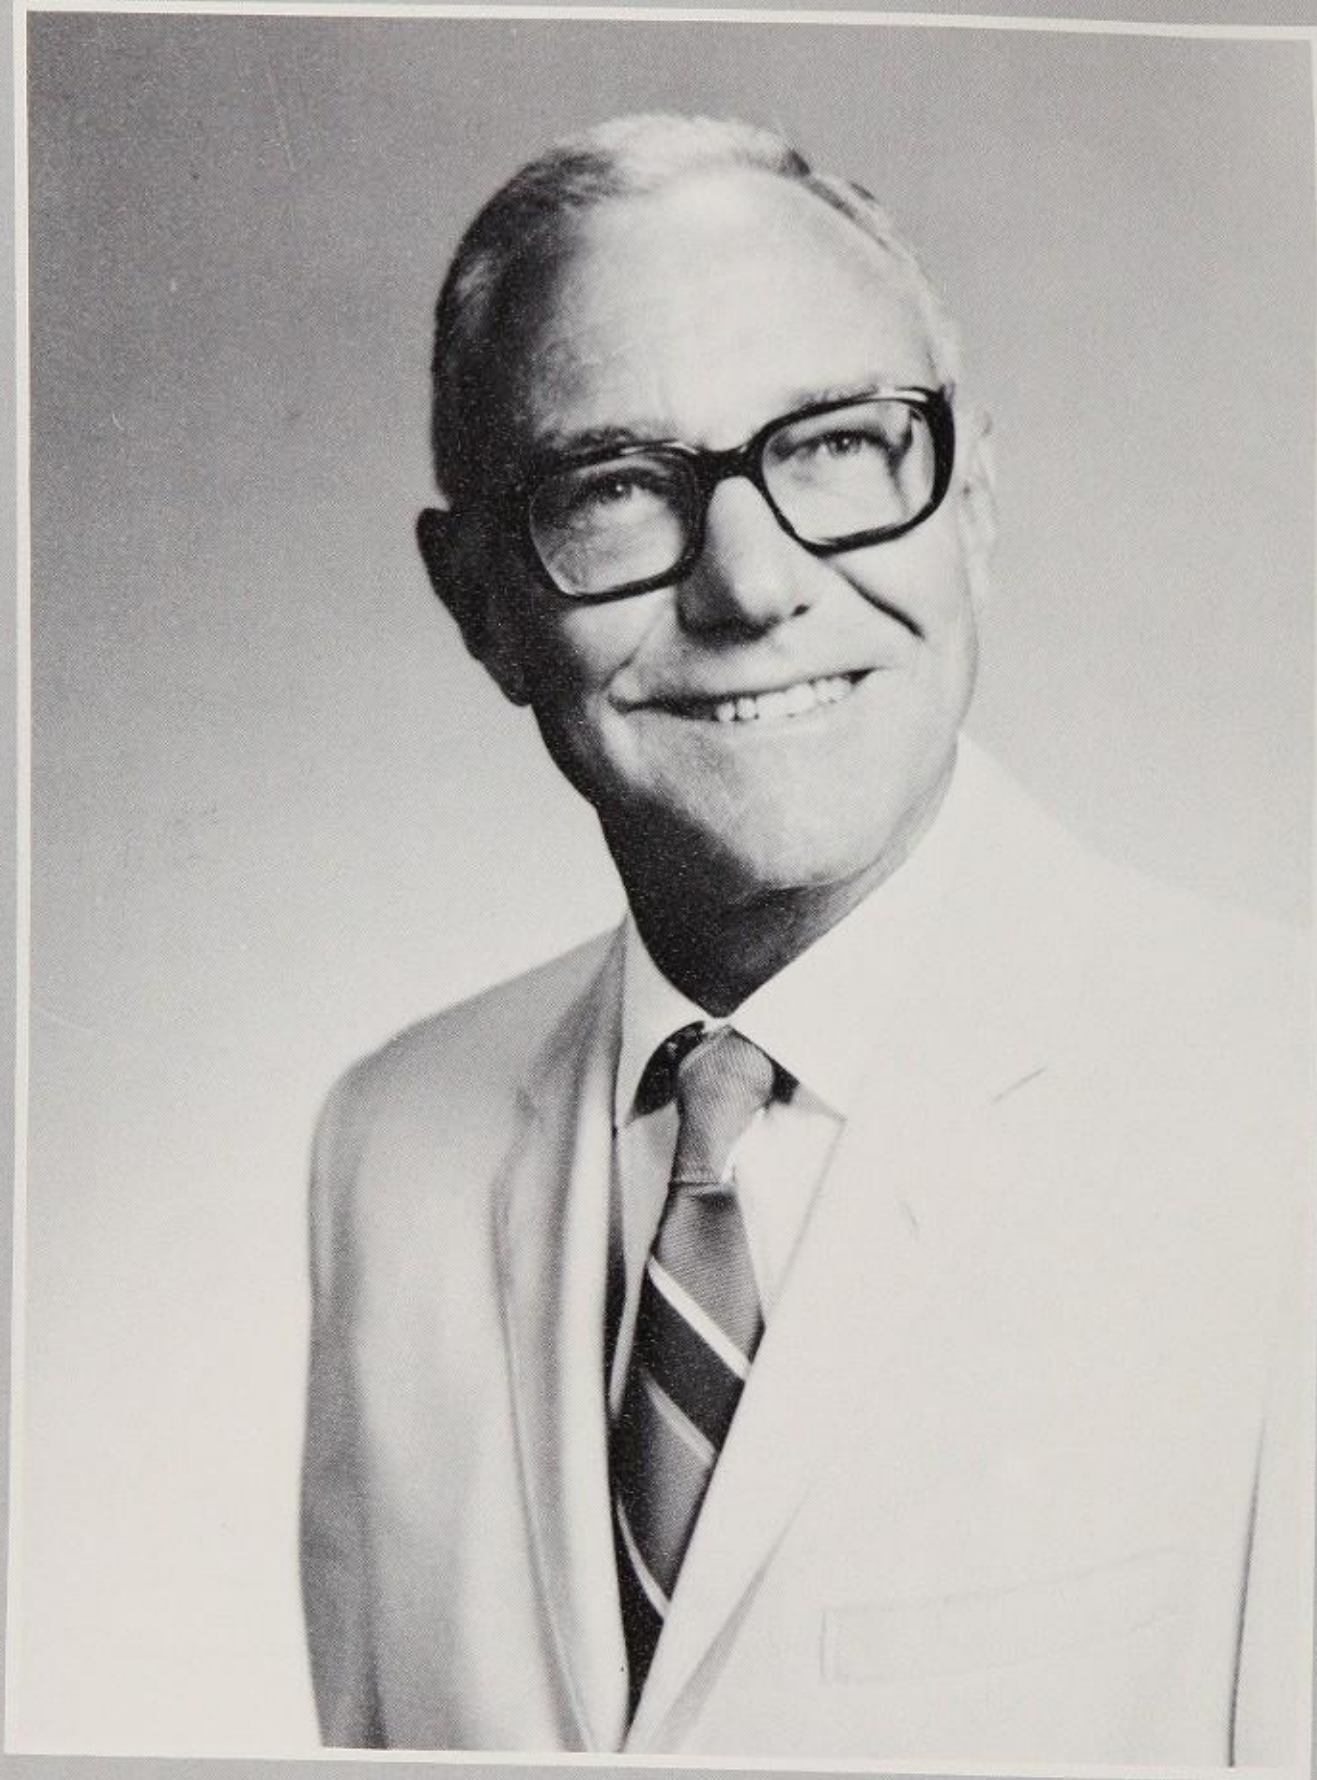

Thank you

*Ad hoc, ad hoc
And quid pro quo,
So little time
So much to know.*

Dearest Lisa,

What can I say to someone who was weened on the same baby food as me.

We've shared so much - from playing doctor to going to school together.

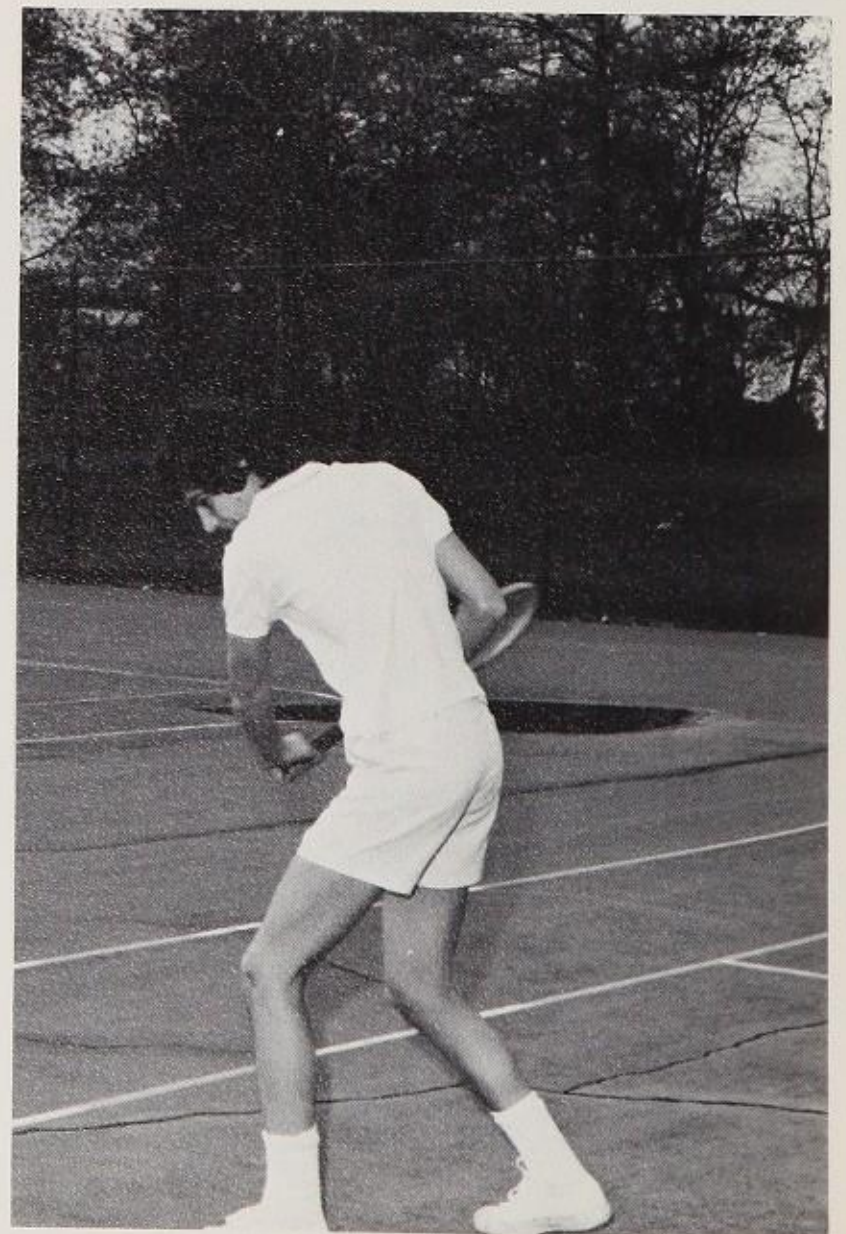

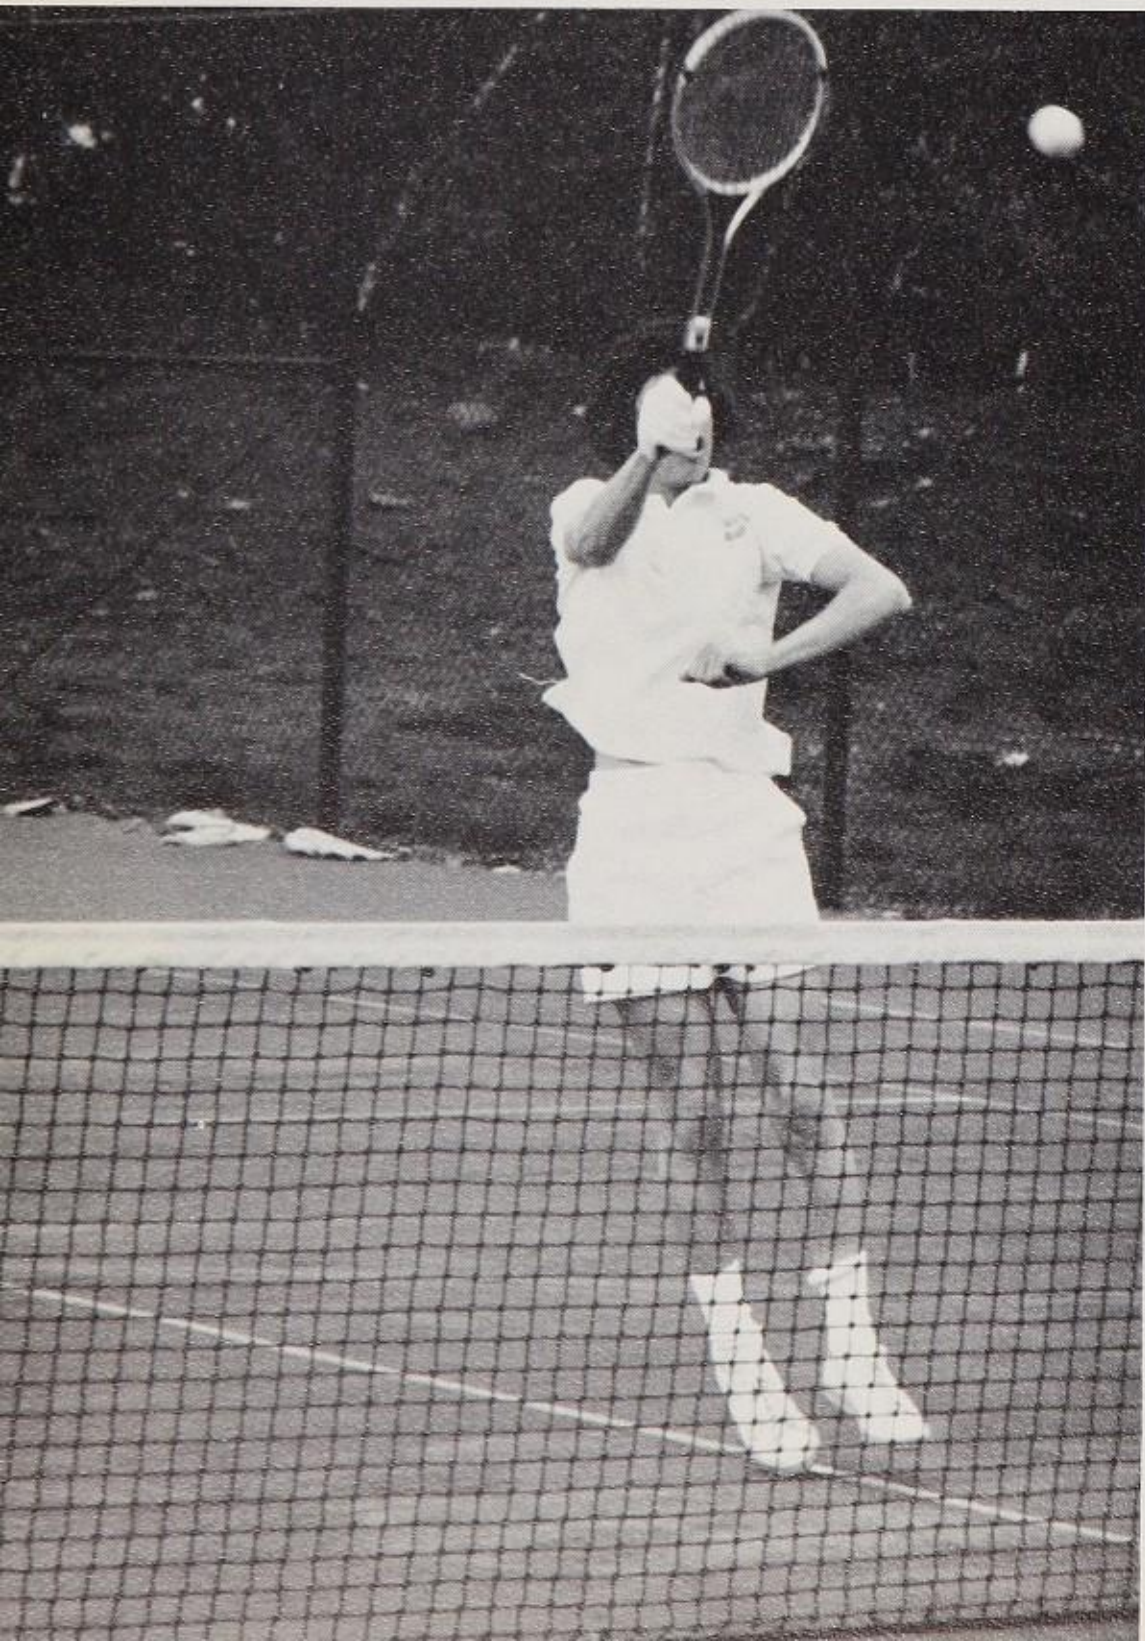

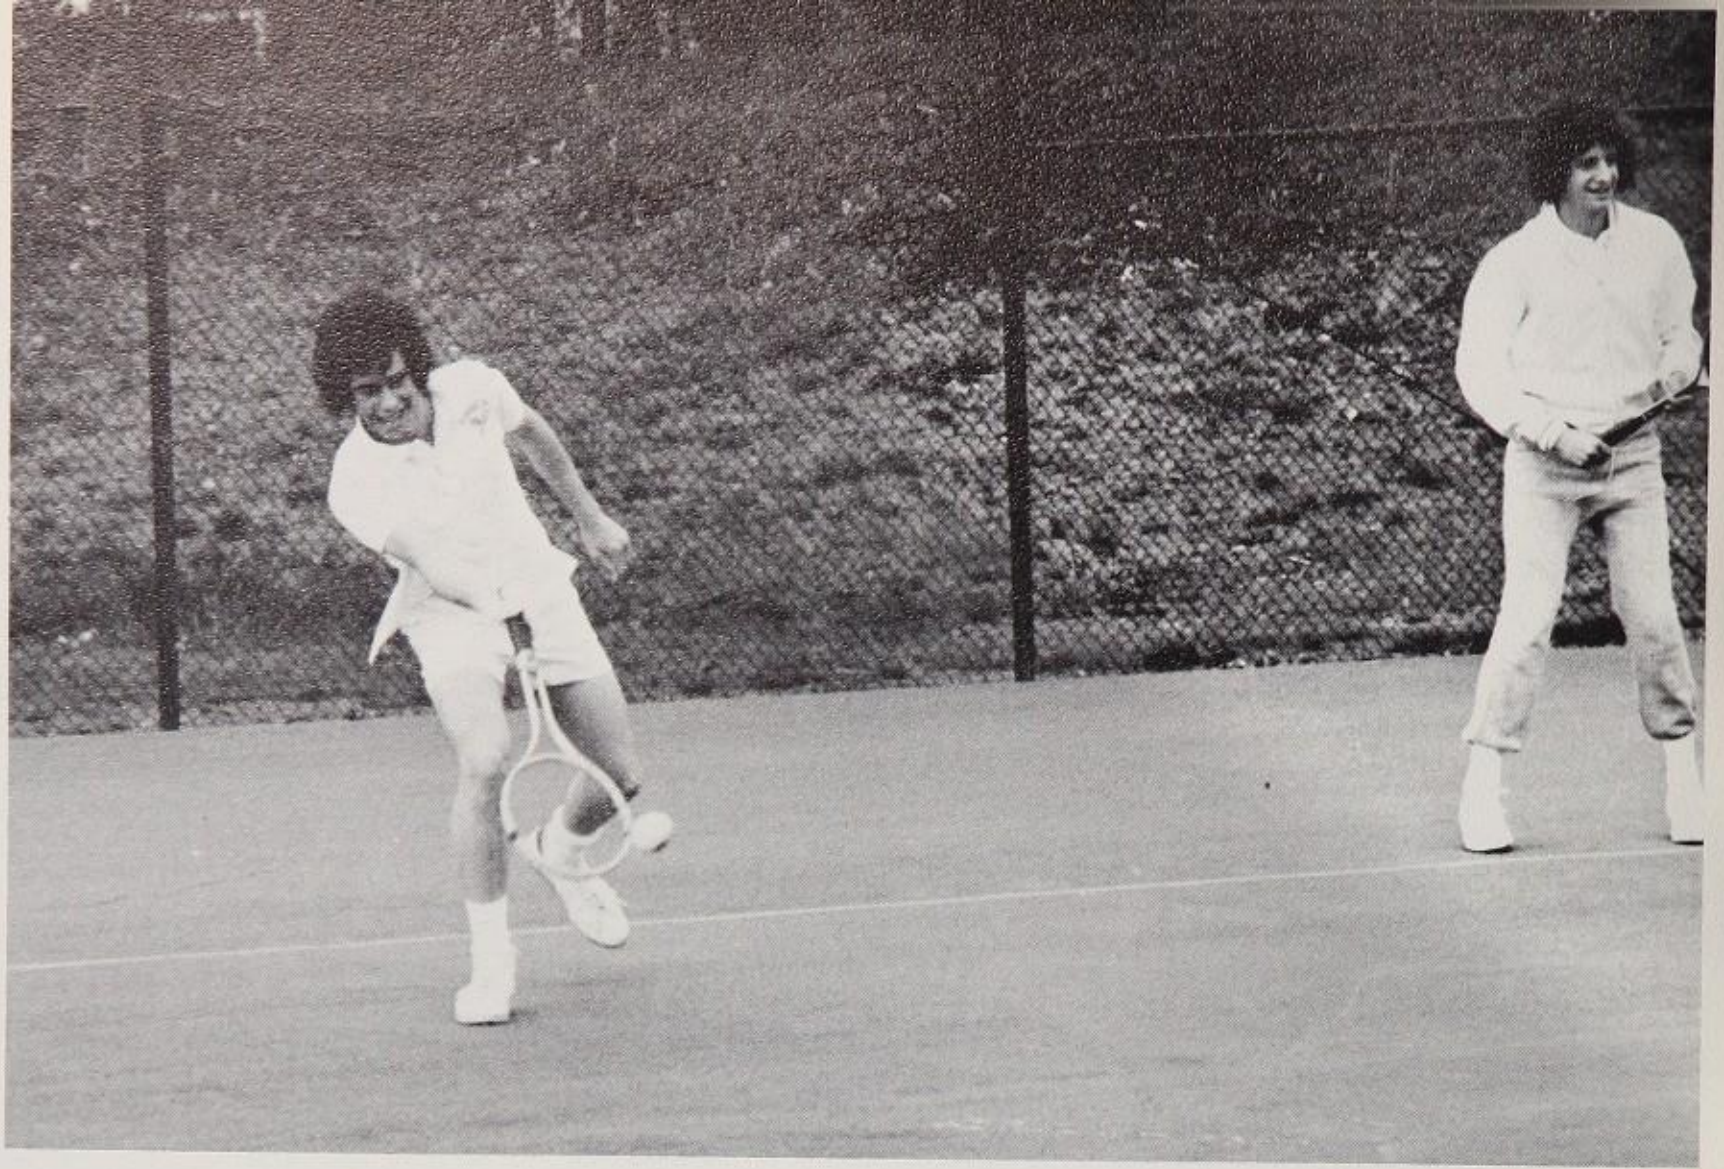

Last summer was our peak of friendship. I felt very close to you and it really meant a lot to me.

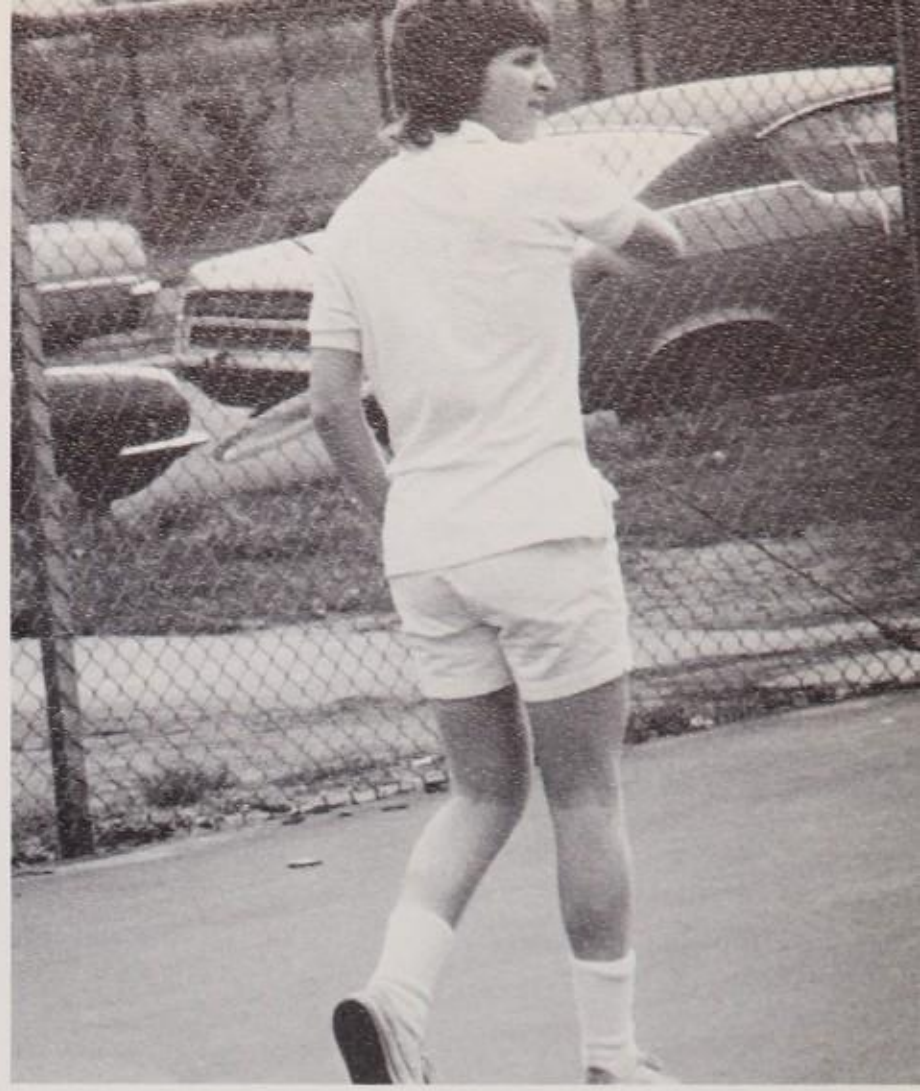

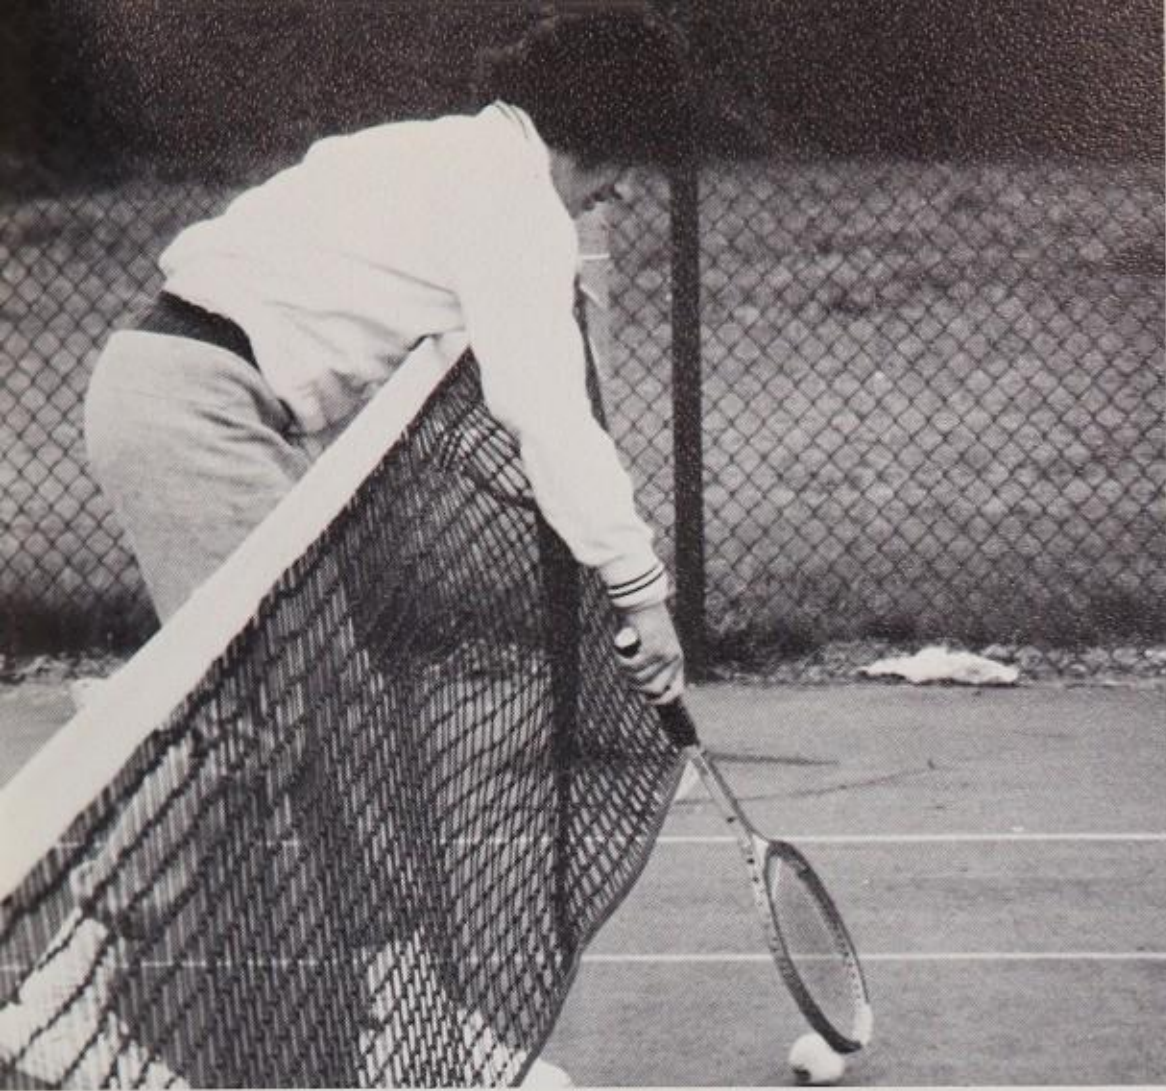

I hope that next year the distance will not separate our feelings.

As this soliloquy is drawing to a close I will not say good-bye only take care because I'm sure I'll see you for years to come.

Love as always,
